FINAL DETERMINATION

Our office has concluded the investigation into the challenges filed by Mr. Richard Jones, Jr. against the Nominating Petitions submitted by Congressman John Conyers, Jr. The Official Declaration required under MCL 168.552 is enclosed. On Friday, May 9, 2014, my office has supplied the petitioner and candidate with the staff report required under MCL 168.552.

My office has been in contact with the State of Michigan, seeking any additional authority aside from the statutes cited below in rendering my determination. My office was referred to the State of Michigan's publication "Circulating Countywide Nominating and Qualifying Petition Forms", dated March 2012. This office is bound by the statutes and election laws governed by the State of Michigan, MCL 168.542 to 168.556. Under these current laws, below are my findings for each challenge stated in your complaint:

Challenge #1 - "Date can't be determined; wrong date completely"
Petition #1; Page 00127

Determination: This date was determined invalid during the initial check of the petitions prior to the challenge.

Petitions challenged – 00127, 00118, 00119, 00120, 00097, 00138, 00165, and 00097

Determination: The report received from the Detroit City Clerk's Office indicates Circulator Dameon Fentress is registered to vote at 22226 Grove, Detroit, MI 48219. Although the address listed on the petitions differ from the circulator's registered address, both addresses are still within the same jurisdiction; therefore, 53 signatures contained on petition pages 00127, 00118, 00119, 00120, 00097, and 00138 are determined valid. MCL 168.544(c)(3)

Challenge #3 – "Challenge circulator voter registration and whether circulator is registered at that address Challenge Petitioners failure to sign petition – only printed name!"
Petition challenged - 00097

Determination: The Circulator printed his first name and signed his last name.
